## Chesky To Run for Atty. General

Attorney Benjamin F. Chesky, life-long Democrat and prominent Boston attorney, today announced his candidacy for the Democratic nomination for the office of Attorney General.

Attorney Chesky, a well-known figure in Jewish circles, resides with his wife and three children at 468 Commonwealth avenue, Boston. He was graduated with Master of Law degree from Yale University Law School in 1916 and has been a practicing attorney for the past 34 years. He has been counsel in many important criminal cases in Massachusetts courts.

Attorney Chesky stated on announcing his candidacy: "At the

September Democratic primary, I shall defeat the present Attorney General Francis E. Kelly and his two weak Democratic opponents, Eli Y. Krovitsky and Isadore H. Y. Muchnick; and as the Democratic nominee I shall overwhelmingly defeat the Republican candidate, Mr. Fingold, who represents himself as some kind of a 'racket buster', despite the fact the records prove he has never been successful in prosecuting any of so-called 'rackets'."

Attorney Chesky further stated: "Court records of Massachusetts will show that I have tried more cases in court in my 34 years as a practicing attorney than Muchnick, Krovitsky and Fingold combined."

"Arlington High School Through the Years" was the theme of the class of 1950 as they held their commencement exercises before scores of parents and friends at the Warren A. Pierce Stadium, Tuesday night.

The exercises started at 6:30 p.m. with an invocation by the Rev. Lewis Williamson of the First Baptist Church. He was followed by Glen Peterson, president of the graduating class who spoke on "Arlington High School Through the Years".

Following Peterson were Christine Card, Noreen Keating, Charles McEwen and Anthony Patton all of whom spoke on the same topic, taking various ten year periods and developing them.

John P. Morine, chairman of the School Committee presented diplomas to 480 graduates. The exercises were closed with the singing of the class song led by Philip Baker.

This graduating class is faring well according to Miss Helen Fitzpatrick head of the Guidance department of Arlington High School. We have already placed more than

83 percent of the min jobs or in schools and colleges in which they may further their education.

Of the 479 graduates in the A. H. S. 1950 class, 145 are admitted to four-year colleges and 106 are planning to attend other schools. Of those who are going to work, 69 girls and 62 boys have definite positions at which they are already working, or will begin to work at immediately upon graduation. The salaries range from \$24.00 to \$44 per week, with an average salary about \$29.00.

The Guidance Department has arranged for a total of 256 interviews for graduates since January 1. Competition for employment of all kinds is extremely keen for these young people. For many students numerous interviews must be arranged before they are able to secure a position in the field of their choice.

In June there remains 30 girls and 4 boys yet to be placed on jobs. As in the past, the placement of the Guidance Department for graduates will continue throughout

## LETTERS TO THE EDITOR

May I take this opportunity to thank you for the fine publicity you gave the Adult Education Program here in Arlington. While this program is sponsored by the Public Schools, it nevertheless poses problems when it comes to informing the citizens of the Town just what is being offered in our Evening School. We were able to get such matters as dates for registration, program time, and meeting place of each class—through the medium

of your paper as I am sure we could not have in any other way.

Please accept the thanks of this office as well as that of the many people who found the information they sought about Adult Education on the pages of the Press.

Sincerely yours,

(Signed) Joseph H. Gaudet  
Director of Adult Civic Education

At the Annual Meeting of the Arlington Branch of the American Red Cross it was voted that the Secretary express to you our appreciation of the service you have given us in publishing the needs and accomplishments of the Red Cross.

Please accept our sincere thanks.  
Yours very truly,  
(Signed) Nellie C. Alsen, Sec.

## Fads & Fancies

A girl with a real dream figure is My Martin, glamorous radio actress of Mutual's "The Shadow" Sunday dramatizations. She contends, and rightly so, that there's no sheep counting for her when she wears this luxuriant creation of black nylon jersey and net, which is one of the mainstays of her wardrobe because it's so easy to keep fresh.

## Boy Scout News

Members of the Arlington Boys' Club are ensuring their happiness this summer in large numbers. With the opening of Camp Wing still three weeks away the enrollment is already ahead of the total for the 1949 season.

Camp Wing, with its 700 acres of woods, brooks and ponds, is almost ready to play host to the hundreds of boys signed up for one or more periods. Camp will officially open on June 23 and again will be under the personal supervision of Mr. Bernard L. Alexander, Associate Director of the Boys' and Girls' Camps, Inc.

Assisting Mr. Alexander will be some 45 Counselors ranging from the Medical to Water Safety and to the Cabin Leaders and the Dining Hall group. The staff at Wing is an excellent group, all carefully chosen to make all campers feel completely at ease for a good camping experience.

Once again this year the rates have been kept very low to enable all Boys' Club members to get a chance to go. While the Arlington quota is rapidly being filled, a few places are still open. Parents may still register their boys by acting promptly to take advantage of the Boys' Club special rate of \$25.00 for a two week period.

Departure dates for camp are June 23, July 5, Aug. 2, and Aug. 16. Medical examinations will be given at the Arlington Boys' Club thru the courtesy of several Arlington doctors.

Parents must act quickly to insure their youngsters enjoying the thrill of swimming, hiking, athletics and nature study all under competent leadership. Registration blanks may be secured any afternoon or evening at the Arlington Boys' Club.

### Pack 13

Pack 13 boys had a very busy week-end. On Friday evening the baseball team defeated Pack 87 in a Cub League game by a score of 10 to 15. The playing of Joey Kelley and Gerry Tierney was outstanding. On Saturday they held their annual picnic and field day at Waverley Oaks with their parents and sisters as their guests. In the morning the Pack 13 second team defeated the girls after a fierce struggle by the score of 12 to 7. Then there was a wienie roast at the outdoor fireplace, plenty of tonic and enough ice cream to more than satisfy the most voracious

Cub. The Troop 13 Scout Drum and Bugle Corps serenaded the picnickers during the lunch period. After lunch, races were held with the following results:—50 yard dash for 8 year old Cubs, First prize—Bernard McSweeney. Second—John LaFrance. Third—Robert Kelley; 50 yard dash for 9 year old Cubs. First prize — Denis Thompson. Second prize — James Surett, third—Timothy Hannon; 50 yard dash for 10 year old Cubs. First prize—Allan McCarthy. Second prize — Sean Tierney. Third — Richard Gill; 50 yard dash for girls. First prize — Karen Morley. Second — Christian Woodbury. Third — Kathleen O'Brien; Wheelbarrow race for Scouts, First prize — Joey King and Philip Clark. Second — Jack Cochran and Thomas Tierney. Third — Richard Miano and Noel Grenier; Brother and Sister relay race, First prize — Richard and Nancy Miano. Second — Maris and Paul Spellman. Third — Allen and Kay McCarthy; Shoe race. First prize — William Walsh. Second — Richard Miano. Third — Philip Clark; 50 yard dash for boys under 8 years. First prize — Billy McSweeney. Second — Anthony Marrec. Third — Paul McCarthy; Piggy back race for cubs and girls. First prize — Leo and Jimmie McSweeney. Second — John Flynn and Sunny Johnston. Third — Brian Kelly and Karen Morley; Piggy back for Cubs and Scouts. First prize — Richard Miano and Stanley Ryan. Second — Philip Clark and Anthony Marrec. Third — Noel Greiner and William Russell; Three legged race. First prize — Dennis Thompson and John Cox. Second — Richard Miano and Stanley Ryan. Third — John Cochran and Thomas Tierney. Relay race for Girls. First prize — Marie Spellman and Nancy Miano. Second — Margaret Herlihy and Lois Woodbury. Third — Christine and Patricia Woodbury. The picnic closed with a baseball game between the Troop 13 and Pack 13 teams. Pitcher Joey Kelley, and the other Pack 13 boys struggled manfully but the older boys had too much power for them and the Scouts won 15 t 8.

On Sunday, the annual communion breakfast was held at the Old Mill. The Cubs and their Scout den chiefs, the Cubmaster. Committee men and den mothers all attended 7:30 mass at St. James church in a body, received communion and, after the services, proceeded to the Old Mill, Cubmaster George Lemos was in charge. Charles Armour, District Chairman of Cubbing, was Toastmaster. Present at the head of the table were Rev. Maurice J. O'Conner, pastor of St. James' Church, Rep Henry E. Keenan, Chairman of the Arlington District Boy Scouts of America. Frederick Carew, CYO Chairman for St. James Parish. William Greene, Chairman of the Pack 13 Committee and the following members of Pack 13 and Troop 13 committees: John Bonablia, Earle Woodbury, Joseph J. Kelly, Patrick J. Herlihy, Arthur L. Proulx, John F. Pearson, Nathan A. Bornstein, Paul Jennings and William Curtin. Cub Robert Kevin O'Brien, in a very pretty speech, welcomed the guests and the parents and bespoke the willingness of his brother Cubs to participate in any effort for the welfare of the church, the school and the community. Cub Chairman, William Green and Cubmaster George Lemos, made a joint presentation of the statue of the Blessed Mother which was dedicated at the St. James School a week ago. The funds for the purchase of this statue were raised by the Cubs and the Den Mothers, and the following Cubs were graduated from Cubbing into the ranks of Scouting: Joseph J. Barber, John Cochran, Edward Graziano, John Hardy, Brian S. Kelley, Kenneth Kelley, Domenic Manzelle, Francis Meehan, William O'Connor, John O'Leary, Anthony Renascio, Arthur Ryan, Robert Sweeney, and Howard Woodbury. Mr. Paul Jennings, acting for Scoutmaster MacDonald, accepted the boys into Troop 13. Webelos badges were presented to William O'Connor, Ken

I Wonder

I WONDER if you've noted the flowers growing in front of the Nutter System's emporium in the center. The expert gardeners who have handled the job are now bragging about a new growth of half-inch green grass. "Who can't grow grass on a billiard ball" is their query! The PRESS admits they've improved the view considerably.

I WONDER how many times you've heard the expression, "Gee I've got spring fever," this week. This weather brings that along too, even if it is a little late.

I WONDER how many of the athletic greats in this year's Arlington high school graduating class will be wearing Boston University uniforms next fall???

I WONDER what the Joint Board of Public Works and Board of Selectmen are doing about the proposal to erect signs at the entrances of Arlington to encourage the motorists to use our State and MDC highways for through traffic to get around the Town rather than to congest our streets.

CONTINENTAL BREAKFAST

The annual Continental Breakfast, sponsored by the Arlington Garden Club will be held on the lawn of the Pleasant street Congregational Church, on Wednesday, June 14. Mrs. John J. Cox is general chairman. Breakfast will be served from 10 to 2. Mrs. Richard S. Linley, 69 Columbia road and Mrs. George B. Keogh will be in charge of the tickets. Mrs. Stuart P. MacDonald will be in charge of the waitresses.

WELCH TO SPEAK HERE

Members of the Arlington Republican 21 Club will hear Robert H. W. Welch, Jr. of Belmont, candidate for the Republican nomination for Lieutenant Governor, speak on "A Businessman Looks At Beacon Hill", at 8 o'clock next Wednesday night, June 14, at the home of Miss Joy Biathrow, 13 Belknap st., Arlington, the club's secretary.

In this talk, Welch, a prominent Cambridge candy manufacturer, will interpret from the businessman's viewpoint the "spendthrift and socialistic policies" of the present state administration. One point in his campaign platform calls for the restoration of "common sense"

in Massachusetts' government" by giving the business a stronger voice in its management.

An outspoken critic of socialism, Welch is attracting state-wide attention, according to his supporters. In his Arlington talk he will attack such proposed measures as "Cash Sickness Benefits" through a state monopoly fund, pointing out how these benefits can be better achieved through private enterprise than governmental red tape. As an example he will cite the growth of fire insurance under the private enterprise system.

Walter J. Roche, son of Mr. and Mrs. John Roche of 63 North Union street, Arlington left Friday for a week's visit with his sister, Mrs. Robert L. Updyke of London, Ohio, a former Arlington resident.

# Arlington Nosed Out In 9th, 7-6

Wednesday afternoon, Arlington High's nine was nosed out 7-6 by Watertown in a thrilling nine inning game in which the Watertown catcher, Phil Stackpole, after being spiked, hit by foul tips and struck in the groin by batted balls, singled in the ninth to bring home the winning run for Watertown.

Stackpole who never before had been hit by a foul ball was felled twice by foul tips, in addition to being spiked on the foot in Wednesday's game. The rangy receiver was struck in the groin halfway through the contest and required first aid treatment. Again in the eighth inning, he was knocked down when struck by a foul tip in the throat, and the game was held up for five minutes.

Arlington made a game fight after giving Watertown a four-run lead in the first three innings. Second baseman Larry Morgan hit a three-run homer for the Spy Ponders in the third inning, and Bill Meehan tied the score at six all with another three-run homer in the eighth.

Third baseman Charshoodian opened the ninth for Watertown with a base on balls. John Zona reached on an error by D. O'Brien. Zona was forced at second on Phil Renzi's grounder to shortstop, setting the stage for Stackpole's game winning single to right field on the first pitch.

## QUICKIE QUIZ FOR SPORTS FANS

You could call this fellow Luke and you'd be right, just as a fellow named Al would call him. Luke is Lucius B. Appling, veteran infielder for the Chicago White Sox and Al is Al Helfer, who's covering Mutual's 1950 broadcasts of outstanding daily major league ball games. Pertinent to this, Al has four questions to ask you. (1) As of September, 1947, Luke had played 1,985 games at shortstop. What record did he equal by so doing? (2) In 1949, diamond fans were saddened by the deaths of three of baseball's greats, two former owners of the St. Louis Cardinals, the third, a Pittsburgh Pirates pitcher. Who were they? (3) A talk by a New York Giant hurler cost the Cardinals two runs and a defeat by that margin in August of 1949. Who was the pitcher? (4) Joe Page, whose services for the Yankees were reported as being contracted for at \$30,000 in 1930, participated in 60 games as a relief hurler. How many won and how many lost last year?

ANSWERS: (1) Roger Peckinpaugh's. (2) Sam Breadon, Bob Hannegan, Ernie Bonham. (3) Adrian Zabala. (4) 13 and 8.

## Routine Night

Early Saturday morning two of Arlington's pride of the finest were cruising around the town supervising the taking in of the sidewalks, when the voice of their commander in chief, Sergeant James Ryan blasted over the radio, "Go to the Heights car barns and pick up a man whom has been reported missing from a nearby hospital."

Officers Peter Greeley and Henry Bradley paid their usual comments to the voice that interrupted their quiet night and went to he car barns and did as commanded.

On their way back to Police Headquarters with their man in tow, the two officers spotted a car speeding up the avenue at break-neck speed and so they gave chase. They captured the speeding car near Park ave., and arrested the driver for operating under the influence.

Again they started for the station with not one but two uncomfortable unfortunates in their grasp. They were cruising merrily along when they neared the High School, Bradley spotted a man walking along the street and decided he looked like a suspicious person.

The car load of men pulled up beside the stranger and the officers questioned his as to what he was doing strolling along at this hour of the morning. The man could not give them an answer that was satisfactory, so he too, was lugged into the car. It turned out he was the guy who had just robbed the Houey Gas station on Broadway.

It was pointed out that this was just a "routine night" as far as the trouble twins, Bradley and Greeley were concerned.

# ALMA MATER

Two Latin words, rich in sentiment! To some they awaken memories of ivy-covered halls. But to many more they recall happy days in the old country schoolhouse.

Literally, they mean *fostering mother*. And that's what a school becomes, a third parent, preparing her children for life.

But all of us need to realize still another "fostering" parent, The Church—the earthly tutor who reveals to men the love of the Heavenly Father.

We never graduate from the Church! Sometimes we play hookey for a while. But sooner or later most of us discover that there is no substitute for the spiritual "upbringing" the Church provides.

And that discovery is the most thrilling *commencement* in life, for with it begins man's achievement of the highest goals in living.

### THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Boston, May 31. An increase in demand for credit at New England banks and a pickup in orders for machinery reflect optimism among New England businessmen, the Federal Reserve Bank of Boston said today in its Monthly Review.

A survey of business conditions entitled "Spring Upturn in New England" states that the business community feels that prospects are good, that machinery replacements are necessary to reduce costs and that prices will not decrease in the near future.

The optimism of the businessman is further borne out by rises in nonagricultural employment the article said. Factory employment rose during the first quarter of 1950, although in March it was still 3.4 percent below its level in March 1949. Durable goods employment in general was off by 8.4 percent for the same period. Metal working industries, however, reached their highest employment in March since May 1949.

Textile production staged a gradual comeback and leather and leather products also made a favorable showing.

An increase of 97 percent in the

value of construction contract awards in April as compared with April 1949 provided a large boost to employment in New England. Residential awards assumed a higher than normal proportion of total contracts, accounting for almost 48 percent of the total value.

**Throng Hears Sun. Concert**

Sunday afternoon, in the beautiful setting of Menotomy Rocks Park, some 500 people turned out to hear the Arlington Academy of Music play its first series of four band concerts.

Frank Ward, popular maestro of the Academy conducted the concert. Among the many classics played were selections from South Pacific, Poet and Peasant And Lucia. The Red Mill and Wedding of the Winds.

Everett J. Henderson, Chairman of the Park Commission, also announced this week that four concerts will be played by the Academy on each Sunday afternoon in the month of June. The concert, June 11, 1950, will also be at Menotomy Rocks Park, while the location of concerts on June 18 and 25 will be announced later.

These concerts have been made possible through a special appropriation at the 1950 Annual Town Meeting through the efforts of many local lovers of good music.

Loud speakers for the affair were provided by the Arlington Fire Department and were set up by Chief Richard J. Tierney and Les Cameron of the department.

**Honored At Boston College**

Richard T. J. McCue, 122 Sunset road, Arlington, will receive second lieutenant's bars in the library auditorium of Boston College, Chestnut Hill, on Tuesday, June 13, at 11 a.m., when 44 ROTC members and 12 Marine Corps Reserve members of senior class receive reserve commissions at military ceremonies conducted by Col. James M. Lewis, head of the College ROTC department. Army commissions will be granted by Col. Arthur S. Champeny, New England sub-area, U. S. A., and Marine commissions by Col. George J. Shea, director of the First Marine Corps District.

McCue, a senior in the College of Arts and Sciences, will receive a Marine commission.
